7030 South Yale Ave., Suite 600
Tulsa, OK 74136

Dear Mark,

Big Brothers Big Sisters of Oklahoma is proud to be a founding partner of Tulsa Community Foundation's 501TechNet program. Since the start of our partnership in 2011, BBBSOK has benefited greatly from TechNet's wide range of services.

BBBSOK lowered its IT support costs by more than 50% annually. Working with 501TechNet is a far more efficient use of our IT budget than maintaining our own in-house IT support staff.

By accessing 501TechNet's purchasing program, BBBSOK has upgraded the computer equipment used by its staff at very reasonable cost.

And utilizing 501TechNet's strategic advice, BBBSOK has implemented cloud-based computing solutions that provide staff with more flexible access to key business software as well as improving up-time and security for our critical business data and systems.

With 501TechNet focusing on our IT concerns, BBBSOK staff is able to concentrate on activities central to our mission of providing children facing adversity with strong & enduring, professionally supported one-to-one relationships that change their lives for the better, forever.

Sincerely,

A handwritten signature in black ink that reads "Rob".

Robert Smariga
Chief Operating Officer
